Drive growth and create positive ESG outcomes

We offer a partnership with purpose

A 'triple pillared' offering for business leaders and investment partners

Sector expertise

We invest across a broad range of sectors. Investing with a sector lens means we can spot trends and opportunities ahead of the curve, giving you a competitive advantage.

This supports a business's growth journey.

Patient capital

We are uniquely positioned to offer businesses a broad range of capital solutions from \$10m-\$250m.

Unconstrained by exit time pressures, we stay with our partners to help them achieve their vision.

Our flexible capital solutions span the full range of equity, debt and funds.

Impactful partnerships

We partner with businesses across Asia, Africa and the Caribbean to add value beyond capital.

Creating cutting edge ESG and impact strategies, we also focus on business integrity to build capacity and resilience and sustain long term success.

We can also provide access to our extensive network of senior business leaders and policy makers when appropriate.

We provide investment to support the growth of businesses

We are expert investors in the following areas:

Climate

At least 30 per cent of our total new commitments will be in climate finance.

We partner with businesses that are at the forefront of innovations to mitigate climate change, increase climate resilience and adaptation, and support the circular economy.

Infrastructure

We invest in crucial infrastructure that helps to form the building blocks for modern and thriving economies and societies.

Our investments in climate-smart digital and physical infrastructure bring people and businesses closer together, strengthen regional trade and enable the emergence of new value chains.

Digital transformation

We are passionate about the vast potential of the digital economy as a driver of growth, inclusion and innovation.

We invest in businesses and entrepreneurs who are using digitalisation to leapfrog development, improve access to services and unlock new markets and opportunities.

Diversity and inclusion

We are proud to be at the forefront of gender-smart investing.

We are a founding member of the 2X Challenge, which has raised over \$33bn to empower women's economic development. We have set a new target of 25 per cent of all new investments to qualify under 2X.

“From seeding India’s now bustling private equity industry, supporting responsible businesses like Big Basket and Pristine Logistics to financing hydroelectric plants in Nepal, wind farms in Pakistan and industrial-scale rooftop solar in South-East Asia – we seek to unlock potential in businesses for long-term growth.

We believe our flexible approach to investing can provide the growth capital your business needs to accelerate its journey. We help you to grow and prosper in a way that’s as good for your business as it is for society and the planet.

We would welcome the opportunity to get to know you and your business. You can get in touch [here](#).”
